Celebrating special occasions since 1938

OUR STORY

Lawry's began in 1938 in Beverly Hills, when founders Mr. Lawrence Frank and Mr. Walter Van de Kamp decided to serve just one entrée: the Roasted Prime Rib of Beef.

Their goal was to create the best meal in America, presented with such style and fanfare that dining at Lawry's would be an unforgettable experience.

This commitment to quality, along with our attention to detail and care for our guests, has helped us adapt over time while staying true to the traditions that have made Lawry's a global favorite.

Today, Lawry's has expanded worldwide, but our standard of exceptional service and quality remains the same.

SILVER CART

The unique ideas behind Lawry's came from founders Mr. Lawrence Frank and Mr. Walter Van de Kamp, who believed in top-quality food and service. Hence, no expense was spared on the carts. Mr. Frank designed the famous "Silver Carts" for tableside carving, with the first built in 1938, costing nearly as much as a Cadillac (\$30,000).

Lawry's Famous Original Spinning Bowl Salad combines Romaine, spinach, beets, eggs, and croutons with Classic Vintage dressing, spun on ice. Known for prime rib, Yorkshire pudding, and the "spinning salad" introduced in 1938, Lawry's pioneered making green salad an essential part of the meal when salads were mostly fruit, cottage cheese, and gelatin.

SIGNATURE ROASTED USDA PRIME RIB OF BEEF

Lawry's signature dish: Our world-famous USDA Prime Rib of Beef is aged for up to 21 days to perfect its flavour and tenderness. Slowly roasted on beds of rock salt, this prime cut is expertly carved and served from our iconic 'Silver Carts,' accompanied by freshly baked Yorkshire Pudding.

Experience the unparalleled elegance of Lawry's, the only restaurant in Singapore offering the renowned Signature USDA Prime Rib of Beef.
